

2025 Fax contract

Part I

GENERAL PROVISIONS

- 1.01 TERM** - This agreement shall become effective when signed by both parties and the original copy has been filed with the Office of Vital Records and shall remain in effect until the end of the contract year unless terminated by either party by written notice to the other, or unless immediate termination is warranted pursuant to article 3.06 of this agreement. This agreement may be renewed for subsequent one-year terms but may be denied at the discretion of the local registrar for bad faith performance.
- 1.02 AMENDMENTS** - Any amendment of this agreement shall be in writing and shall require the approval of both parties.
- 1.03 APPLICABLE LAWS** - This agreement is meant to enable FAX authorization of an Application and Permit for the Disposition of Human Remains pursuant to Health and Safety Code, Sections 7055, 102140, 103050, and 103090 while maintaining consistency with California Law and Office of State Registrar (OSR) instructions regarding the completion and authorization of disposition permits. Failure to do so may result in the cancellation of fax filing privileges.
- 1.04 FUNDING AND LIABILITY** - The intent of this procedure is that no additional costs are incurred by the Local Registration District (LRD). The FAX registration system is to be supported by interested funerary businesses. Upon entering into this agreement, the licensed funeral director shall pay a per fax, non-refundable, nontransferable fee of \$4.00 for each fax file submitted. There is no right indemnification for liabilities resulting from the performance of this agreement.
- 1.05 HOURS OF FAXING** - The contractor may FAX documents at any time. **However,** the LRD shall only be obligated to acknowledge with authorization numbers between 9 a.m. and 12 noon and 1:30 p.m. and 4:00 p.m., Monday through Friday, LRD holidays excluded, requestor must allow 2 hours for processing of all documents (The two hours are calculated withing the EDRS processing hours listed in this section)
- 1.06 ACCEPTABILITY** - white-out, strikeovers or erasures will not be accepted, no exceptions.

PART II

CONTRACTOR RESPONSIBILITIES

- 2.01 TECHNICAL SUPPORT** - The contractor shall be responsible for installation, technical support, system support, mortuary staff training, and any enhancements, augmentations, and replacements.
- 2.02 QUALITY CONTROL** - The contractor shall maintain the overall quality of his/her faxed, authorized disposition permits in accordance with OSR guidelines, or the LRD will terminate this agreement pursuant to Article 1.01.
- 2.03 DELIVERABLES** - When filing an Application and Permit for Disposition to change the disposition of remains or to obtain authorization for disposition of cremated remains shipped into California, the original VS-9 or disposition permit from the state or country of death, or a copy of the death certificate and the Authorization to Issue Permit form completed by the one of the persons who has the right to control disposition of the remains shall be faxed. **A copy of a certified death certificate, a non-contagious letter or a certificate of envaultment will be required to obtain authorization for ship in of full bodies.** The **backup documentation** faxed with the original permit for approval **must be attached when submitted**. Only submit the required documentation, your file will be rejected if unnecessary documents are submitted. The Office of Vital Records has the right to request additional information/documentation to complete the fax file.

The LRD shall review the permit and backup documentation for acceptability. If the permit is not completed pursuant to OVR policies (Health and Safety Code Section 102140, 103050), the LRD shall require the necessary information to make the record complete prior to accepting it. The contractor has the responsibility to review and correct all changes before re-submitting.

If the Application and Permit for Disposition of Human Remains is acceptable, the LRD shall notify the contractor and issue a random non-recurring authorization number which the contractor shall place as instructed on the VS-9.

The **random fax authorization number** must be entered in item **10C** on the Application for Permit for Disposition of Human Remains, VS-9 followed by the authorized fax contractor's initials. The authorization number will represent the Local Registrar's signature. The **date the permit is authorized** must be entered into item **10B** with the **contractor's name typed under the date**. See "Attachment A" for reference.

Within 24 hours after affixing such authorization numbers to the documents, the contractor shall forward by first class mail: copy number four of the permit, the backup documentation submitted when filing, and the necessary filing fees to the LRD.

If an original permit is found to be unacceptable upon arrival at the LRD, the contractor must provide a new, acceptable permit **within two working days**.

PART III

LRD RESPONSIBILITY

- 3.01 PERSONNEL** - The LRD shall staff the program to a level sufficient to accomplish the objectives of this agreement. The LRD will designate the Supervising Deputy Registrar to serve as liaison for coordination of all phases of this agreement.
- 3.02 QUALITY CONTROL** - The LRD shall compare the original VS-9 upon arrival with Faxed documents to identify any discrepancies. If a violation of OSR instructions or of this agreement is identified as a problem, the LRD shall terminate the agreement pursuant to Article 1.01 or 3.06.
- 3.03 SYSTEM MODIFICATIONS** - OSR must approve in writing any modifications or enhancements to the FAX requirements before they are implemented.
- 3.04 TECHNICAL STANDARDS** - OSR shall define FAX and automation criteria and requirements for registration, issuance of permits, and issuance of certified copies. This includes both existing systems and any future electronic enhancements.
- 3.05 FUNERAL DIRECTOR LIAISON** - The LRD will assist the contractor with information, procedures to assure accurate and timely authorization of disposition permits via the FAX process.
- 3.06 TERMINATION** - The LRD will terminate immediately any contract where the identified contractor fails to use FAX in the manner designated herein. Conditions of termination shall include bad faith corrections or changes to authorized disposition permits in violation of statute or OSR instructions, which violations would not be identified on the FAX copy. The names of terminated FAX contractors shall be transmitted to OSR. If ongoing issues exist, the contract will be terminated after 3 phone calls from the Supervising Deputy Registrar.
- 3.07 MANUAL REGISTRATION** - The termination of a contractor's FAX privileges shall not prevent him/her from filing an Application and Permit for Disposition of Human Remains in person.
