SUBJECT: State of Emergency in Los Angeles County due to the Palisades Fire

On January 7, 2025, Governor Gavin Newsom proclaimed a state of emergency in Los Angeles County due to the Palisades Fire.

On January 8, 2025, additional Proclamations were added to support impacted residents in Los Angeles County by waiving fees to replace certificates such as birth, death, marriage, and dissolution of marriage records.

Pursuant to these Proclamations of a State of Emergency, fees for certified copies of birth, death, marriage, and dissolution of marriage records are suspended for any individual who lost such records as a result of the Palisades Fire. These Proclamations will remain in effect until the Governor terminates the State of Emergency. These Proclamations are available for viewing at:

When requesting free copies of a vital record, survivors should state on the application, “Palisades Fire,” and complete the enclosed sworn statement declaring under penalty of perjury that they are a survivor. The sworn statement for survivors is a combined sworn statement which also includes the sworn statement required by Health and Safety Code Section 103526. For requests sent to the California Department of Public Health – Vital Records (CDPH-VR), survivors should additionally make the notation “Palisades Fire” on the front of the mailing envelope, for faster processing.

The application and combined sworn statement must be submitted to complete the request.
