ALCOHOL AND DRUG PROGRAMS

ADULTS AND YOUTH SERVICES

OUTPATIENT TREATMENT

Ventura County Alcohol & Drug Programs offer a range of outpatient treatment services designed to help individuals coping with a substance use disorder. Our services include screening, crisis intervention, individual, group and family counseling, HIV education, assessment and evaluation, referrals to community based services, and outreach to the community.

Our Adult and Youth Services are designed for individuals seeking help with alcohol and/or other substance use problems. Our Centers promote recovery from substance use problems and provide leadership in the treatment of alcohol, substance use and co-occurring substance use and mental health disorders. We strive to reduce the destructive effects of the use and abuse of alcohol and other drugs on individuals, families, and the community.

For referrals for outpatient treatment services, call 805-981-9200.

OUR MISSION

To promote hope and wellness for the diverse communities we serve.

OUR VISION

To deliver effective, high-quality mental health and substance use services.

OUR CORE VALUES

Compassion • Respect • Teamwork
Integrity • Collaboration

WHO DO WE SERVE?

As an integrated division of the Ventura County Health Care Agency, Behavioral Health provides a full continuum of coordinated mental health and alcohol and drug services to meet the needs of Ventura County residents. In collaboration with public and private partners, our goal is to assure access to effective treatment and supports for individuals and families in Ventura County who may struggle with mental health issues and/or substance use disorders. In addition to regional clinics located in Oxnard, Ventura, Santa Paula, Thousand Oaks, Fillmore and Simi Valley, many programs provide services at home, in schools and at other locations most accessible to our clients.
