The Ventura County Health Care Agency (VCHCA) is committed to providing the highest quality healthcare and emergency services to members of our diverse community. Our mission is to provide excellent comprehensive, cost-effective, compassionate healthcare throughout Ventura County.

At VCHCA we strive to make health care available to everyone in our community, regardless of their ability to pay. Our programs include a Discount Program (DP) for patients at Ventura County Medical Center (VCMC) and Santa Paula Hospital, Eastman Physical Therapy, and clinics licensed under VCMC (Anacapa, Academic Family Medicine, medical specialties, and pediatric and adult hematology oncology clinics). The DP has six pay discount levels based on individual or family income. You can request financial assistance if your household income is at or below 400% of the Federal Poverty Level (FPL). Payment plans are also available for families with incomes above 400% of FPL. *(Please note that for patients in our Federally Qualified Health Centers, there is a separate application for our Sliding Fee Discount Program).*
